Pole Holster

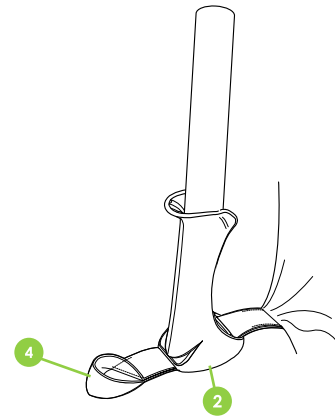

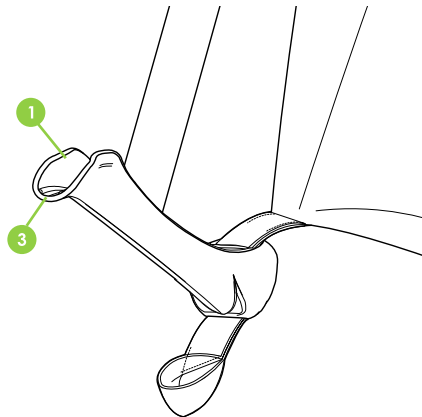

Designed to make tent set up easier

The cam action of the pole holster makes it easier to attach poles to your tent, reducing the strength required to attain tension in the corners. The holster fits comfortably in one's hand and eliminates precise pole and pin alignment typically required.

SPECIFICATIONS (available in two sizes)

Length	4 5/8 in	3 1/4 in
Width	1 1/8 in	3/4 in
Pole sizes	.62 - .75	.43 - .49
Webbing size	3/4 in	1/2 in
Material	Nylon	Nylon

KEY FEATURES

- 1 Snap fit
- 2 Rocker bottom
- 3 Flared thumb release
- 4 Stake loop

BENEFITS

- Clip design guides pole in and provides secure attachment of pole to tent
- Provides stable relation to ground for poles coming in at different angles
- Allows use of thumb or foot in removal of pole
- Webbing provides attachment of holster to tent and stake positioning
